

# "It's Important to Remember"

July 22, 2012

A year ago we lost our Chief. Ken Day led us to a new future. His smile, his caring and his vision have brought us to today.

As we move to a new station and expanded manpower we think of how he worked for this. We remember his determination through the last two years, leading us to a future he would never know.

Chief Day – You were a leader and inspiration to all. May your memory lead us to put forth our best and work for our community in the days and years ahead!

Rest eternal grant unto him! "May his soul and all the souls of the departed rest in peace".

*Brother when you weep for me  
Remember that it was meant to be  
Lay me down and when you leave  
Remember I'll be at your sleeve  
In every dark and choking hall  
I'll be there as you slowly crawl  
On every roof in driving snow  
I'll hold your coat and you will know  
In cellars hot with searing heat  
At windows where a gate you meet  
In closets where young children hide  
You know I'll be there at you side  
The house from which I now respond  
Is overstuffed with heroes gone...*

*...Men who answered one last bell  
Did the job and did it well  
As firemen we understand  
That death's a card dealt in our hand  
A card we hope we never play  
But one we hold there anyway  
That card is something we ignore  
As we crawl across a weakened floor  
For we know that we're the only prayer  
For anyone that might be there  
So remember as you wipe your tears  
The joy I knew throughout the years  
As I did the job I loved to do  
I pray that thought will see you through*
