

Dear Property Owner/Tenant:

RE: Project Notification – 4th Concession Drain – Town of LaSalle

Tentatively scheduled to start the week of August 28th 2023, the Town of LaSalle – Public Works division will be undertaking and proceeding with the Repair and Improvement of the **4th Concession Drain**. The work will consist of culvert replacement, brushing and ditching of the open drain. The scheduled work is expected to take 4-6 weeks to complete, weather permitting.

The Contractor for this project is **JCS Construction**, with **Mr. Jason Spina** serving as **Project Manager (phone # 519-300-1194)**. **After hours, calls for urgent issues should be directed to the Town's Public Works Department at 519-969-4143**. The Town's consultant R.C. Spencer will complete project management and inspection, Project Manager is Shane Lafontaine (519-946-1122).

If a construction problem should arise, please contact the Town's Manager of Engineering / Drainage Superintendent, Mr. Michael Cappucci, (Telephone 519-969-7770). **This project is in joint with the Town of Tecumseh** and should any issues from the Tecumseh landowners, questions can be submitted to Alessia Mussio at 519-735-2184 ext 140 or amussio@tecumseh.ca.

It is stressed that construction sites are inherently dangerous and pose many potential safety hazards. Extreme caution should be exercised by all, especially children.

It is inevitable that construction will cause some inconvenience in your area (driveways may not be accessible for short periods of time). Every effort will be made to minimize these inconveniences by informing you in advance of any disruptions as the drainage works crosses your property.

Thank you for your co-operation and should you have any questions regarding this notice, please contact the undersigned.

Michael Cappucci, P.Eng.
Manager of Engineering
