

WELCOME BACK BON RETOUR

A MESSAGE FROM

Mayor Marc Bondy

January 28, 2022

Hello residents of LaSalle,

As I begin to write this message, it is Bell Let's Talk Day 2022. The winter season can be a hard one with colder temperatures and shorter days. Being in a pandemic as long as we have can also negatively affect our mental health and well being. It is more important than ever to stay connected with family and friends in ways that also protect the safety of everyone around us. Please stay well and connected to your support system and also remember, if you or someone you know is in crisis call the Hôtel-Dieu Grace Healthcare 24-Hour Crisis Line at 519-973-4435.

Municipal Buildings Re-Open

I am happy to share that Town Hall has re-opened to the public as of Friday, January 28. The Vollmer Complex will re-open on Monday, January 31. The Town will continue to follow the guidelines of the province and the local Medical Officer of Health including proof of full vaccination

through the use of the enhanced COVID-19 vaccination certificate with QR code and identification. We thank you for your patience, and if this pandemic has taught us anything, it is to find new ways to navigate challenges and become more resilient.

Winter Snow Removal

Thank you to our Public Works staff for their efforts with snow clean-up. As a reminder, when snow is predicted, please move any vehicles parked on the road to your driveway to ensure snow removal equipment can clear the whole road. Please also refrain from pushing snow back onto the road as this can create a hazard for vehicles driving by.

Three Fire Station Model

Stay tuned for some upcoming information about a Three Fire Station Model that was presented at Council on January 25. Recommended locations include the existing fire station at 1900 Normandy St., the former Centennial Arena site at 2170

Front Rd., and Laurier Parkway west of Disputed Rd. (site to be determined). View the presentation on our Town of LaSalle YouTube page, Regular Meeting of Council 1/25/2022. All agenda and meeting minutes are posted on our website at events.lasalle.ca/council
