

# WELCOME BACK BON RETOUR

A MESSAGE FROM

## Mayor Marc Bondy

March 25, 2022

Hello residents of LaSalle,

This week I want to take a moment to acknowledge the tragedy that has happened in our community this past week. Our deepest condolences go out to the family and friends of Amanda Lyons. We are also thinking of the first responders who have responded to this incident and who are working diligently on the investigation to bring answers to the family regarding this heartbreaking tragedy.

### **Mask Mandate Has Ended**

The provincial government removed the mask mandate on March 21 as the next step in Ontario's Roadmap to Reopening. Masks are no longer mandatory at our municipal buildings but some may choose to continue to wear a mask in public settings. Please be kind and respectful to those who choose to continue to mask up as we all adjust and find our comfort level. Under provincial regulations, masks continue to be mandatory on public transit. This includes the LaSalle Transit bus.

### **Three Fire Station Model Approved**

The Three Fire Station Operating Model and Financial Plan was approved this past week at Council. We feel it is important to continue to meet standards by responding to the growing needs of our community. With this plan, Council is committed to building a safer LaSalle as the Town grows.

### **Mayor's Cup Hockey Game**

I had the pleasure of dropping the puck at the annual Mayor's Cup hockey game between Sandwich Secondary School and St. Thomas of Villanova this past Thursday. After two years of both the boys and girls games being cancelled, it was great to get everyone back on the ice and in the stands.

### **Meals on Wheels**

This past Wednesday I tagged along with Jim McLaughlin, a volunteer for Meals on Wheels, to help deliver food locally. I enjoyed taking the day to visit our local residents. What a great program.

Thanks to Jim for sharing the experience with me.
