A Message from Mayor Marc Bondy

May 13, 2022

Hello residents of LaSalle,

At the beginning of this month, I announced that I will not be running for re-election in the upcoming 2022 LaSalle Municipal Election. It has been an honour and a pleasure to serve our community as mayor for the last four years and as a council member for eight years prior to that. My time spent on council has been humbling and rewarding. It has been a great privilege to serve the community and I will cherish the relationships and memories. I am looking forward to the next chapter, to spending more time with my wife and family. You will still find me around Town, cheering on my grandchildren as they participate in the many events offered in LaSalle.
