

Mayor's Message

A Message from Mayor Marc Bondy

June 30, 2022

Hello residents of LaSalle,

As we approach the upcoming long weekend, Council would like to wish everyone a Happy Canada Day! This holiday celebrates the anniversary of Canadian Confederation which occurred on July 1, 1867. Here's to a weekend of celebrating our country's pride and history with family and friends!

Tennis Courts - Vollmer Complex

Construction has been taking place behind the Vollmer Complex over the last couple of weeks. Four lit tennis courts with fencing and walkways are in progress and scheduled to be open by the end of August. With a demand for tennis courts in Essex County, we look forward to residents having another location to take part in outdoor activities.

Stormwater Master Plan

The Town is continuing the process with Stantec Consulting Ltd. to prepare a Stormwater Master Plan. We recently held a

Public Information Centre (PIC #2) focused on the improvements of the Stage 1 catchment area of Front Road between Turkey Creek and Gary Avenue. If you missed it, the resources are available on the PlaceSpeak platform until July 29. Visit the Studies and Special Projects page on our website to link to the information and provide your comments. We want to hear from you.

Glice-Eco Rink, Skating Trail

A Glice-Eco Rink demo is available to test out at the Vollmer Complex, Rink A. The Town is investigating the possibility of installing this synthetic ice as the skating trail as part of the Small Coast Waterfront project on Front Road. Bring your family and friends to try out the ice and complete the survey. Available until July 13. Visit the news page on our website to find the full details about testing the Glice-Eco Rink and available hours.

Stay Cool LaSalle

It's summertime in Windsor Essex County! We all know that means hot summers. On days when a heat warning advisory is issued by the Windsor-Essex County Health Unit we remind you to check in on our neighbours and also take advantage of the places in LaSalle to stay cool. This includes:

- Essex County Library, LaSalle Branch
- LaSalle Civic Centre Atrium
- Vollmer Complex
- Vollmer splash pad

Visit the Heat Warning page on the Windsor-Essex County Health Unit to learn about the Stay Cool Windsor-Essex Program.
