Hello residents of LaSalle,

This past weekend the Town held LaSalle Spring Fling 2024, at The Event Centre. It was a huge success, many smiling faces. The event included amazing busker-style entertainment, fun vendors, and food trucks. You can catch the wrap up video on the Town's YouTube (scan the QR code) channel to get a glimpse of the exciting entertainment and vendors:

Congratulations and job well done to employees involved in this kick off to spring in LaSalle.

## Lego Mosaic at the Library

Members of Council and I finished off the mosaic mural at the LaSalle

library yesterday evening. A Town of LaSalle and Essex County Library partnership, this incredible community project has been assembled over the past month, one mosaic block at a time by members of the public. The mural was designed by Artist Jim Wiebe, and the full masterpiece is on display at the library now.

Yard Waste will be collected every other week for the entire Town. Acceptable containers for yard waste include: paper yard waste bags, cardboard boxes, and garbage cans or pails. Plastic bags will not be collected. For more information visit [www.lasalle.ca/yardwaste](http://www.lasalle.ca/yardwaste)
