Public work professionals advance the quality of life in our community by providing services in transportation, water, wastewater, parks and trails, emergency management, and more. Let's celebrate the quiet work these professionals do that make life better for all of us.

## National AccessAbility Week

The Town of LaSalle will be raising the Regional Accessibility Flag at a ceremony on Tuesday, May 28 at 10:30 am, at the LaSalle Civic Centre, 5950 Malden Road. National AccessAbility Week takes place from May 26 to June 1, and

provides the opportunity to:

- Celebrate the valuable contributions and leadership of Canadians with disabilities.
- Highlight the work of people, organizations, and communities that are removing barriers.
- Reflect ongoing efforts to become a better, more accessible, more inclusive Canada.

Please join us for this flag raising ceremony, all are welcome! If you can, please wear the colour red to show your support.

Enjoy this beautiful weather!
