A Message from Mayor Crystal Meloche

May 31, 2024

Hello residents of LaSalle,

This past weekend we held our first night market of the summer. While the weather didn't cooperate for us to hold it at the LaSalle Civic Centre as planned, our staff did an amazing job of shifting that location to the Event Centre in a short amount of time. It was extremely well organized and very well attended. Congratulations to our staff for making that change so quickly and it was another successful event.

National AccessAbility Week

The Essex County Accessibility Committee raised the locally designated Accessibility flag at a ceremony Monday, May 27 at the County of Essex, Civic Centre. The Town of LaSalle held a flag-raising ceremony on Tuesday, May 28 in recognition of National AccessAbility Week, May 26 to June 1. This week Provides the opportunity to:

- Celebrate the valuable contributions and leadership of Canadians with disabilities.

- Highlight the work of people, organizations, and communities that are removing barriers.
- Reflect on the ongoing efforts to become a better, more accessible, more inclusive Canada.
