Day Camp in LaSalle on January 8

If a tentative agreement has not been reached with the Ontario Secondary Schools Teachers' Federation by January 7, members of the union will participate in a legal, one day, full withdrawal of service on Wednesday, January 8. This means that all Greater Essex County District School Board schools - Elementary, Secondary and Continuing Education - will be closed to students on Wednesday, January 8.

Should the school closures take place, the Culture and Recreation Department will be operating a day camp program at the Vollmer Complex for children between the ages of 4 and 12 years. Children can be dropped off as early as 7:30 am and picked up as late as 5:30 pm. Pre-registration is required and space is limited. The cost per child is \$35/day.

Parents wishing to secure a spot for their child can register in advance. In the event that schools are open, a full refund will be issued. Registration can be done online at: www.lasalle.ca/register or by visiting the Vollmer Complex front desk at 2121 Laurier Parkway, LaSalle. Please visit the day camp section of our website at www.lasalle.ca for full details about the camp.
