## Penalty and Interest Reinstated in LaSalle

The Town of LaSalle, in conjunction with the other local county municipalities, have been waiving penalty and interest on property tax and/or water bill payments since April 2020. Late payment fees will now be applied to outstanding balances on property taxes and water bills beginning on October 1, 2020, and will be charged on the first of every month thereafter.

Convenient pre-authorized payment plans are available: automatic withdrawals on the due dates, a 10-month plan and a 12-month plan. For those who start a monthly pre-authorized payment plan before October 1, the outstanding balance will be divided between the payments in October, November and December to clear the balance by the end of 2020, avoiding penalty and interest charges. Pre-authorized payment forms are available on the Payment Options page on the Town's website or at the Tax Counter at the LaSalle Civic Centre.
