## Updated Traffic Note on Matchette Road in LaSalle

**Please Note:** The contractor has advised that the mill and pave on Matchette Road in LaSalle will take place on Friday, September 16, and Monday, September 19.

The Town of LaSalle has contracted Mill-Am Corporation to undergo milling and paving of Matchette Road between Bouffard Road and Reaume Road. This work is scheduled to take place from Thursday, September 15 to Friday, September 16, 2022.

The road will be reduced to one lane of traffic, and flaggers will be present to direct traffic, as crews perform this work. The area is a construction zone and there is no parking on the road. Please use caution while driving and/or walking on the road.

Delays are expected and drivers are encouraged to find an alternate route, if possible. We appreciate your patience.
