Good Afternoon Alain,

We've no immediate planned work in this area. We are primarily aerial in this area attached to either Bell or Essex Power poles. Please see my contact information below for further correspondence.

Thank you

BILL SORRELL

Subject: Oliver Farms Subdivision Utility Coordination - Town of LaSalle

Hello All:

This email is to advise all utilities of upcoming improvements to the Oliver Farms area and initiate coordination with any planned utility upgrades.

If you are not the proper contact to receive this message, I apologize and kindly ask that you respond to me directly and/or forward to the proper person.

The Oliver Farms area includes Montgomery Dr, Surrey Dr, Grosvenor Dr, Chelsea Dr, Croydon Dr and Eastbourne Ave, as shown on the attached plan. On behalf of the Town of LaSalle, Stantec has undertaken a preliminary design of the Oliver Farms area improvements, which will include new road, watermain, storm sewer and street lighting. Tentative detailed design and construction dates are subject to funding but are expected to proceed within the next few years.

At this time, **I would greatly appreciate if each utility company could confirm receipt of this email and provide any details on planned works in the Oliver Farms area.**

Best regards,

Alain Michaud, P.Eng.

Municipal Engineer

Date: Monday, April 04, 2016 12:16:32 PM

Thanks, Jim.

Alain, can you please forward me the attachments?

At this point I have no improvement plans. The area in question has had new poles placed (with Essex Power) and some new cable as well.

We are aerial so should be out of the way of your water mains and road.

Alain,

This area is Dave Cowing's territory. I have forwarded him on this email.

Regards,

Jim

Dave,

Can you please respond to Alain's email regarding a utility coordination meeting for Oliver Farms in Lasalle?

Thanks.

Alain,

I would be the contact for Essex Powerlines. Can you outline or shade the area considered for the improvements. The attachment you sent did not show any outlines.

We have no improvements planned in the area. All our improvements were completed in the last few years.

Hi Alain,

Thanks for reaching out to Union Gas regarding the upcoming improvements to the Oliver Farms area.

At this time, I am not aware of any planned utility upgrades for the area mentioned below, however we will have a look at our system to see if there is any plant in the area that we might consider upgrading, due to the municipal work that will be occurring in the area.

I will be in touch.

Thanks!
