Town of LaSalle - Transportation Master Plan

NOTICE OF STUDY COMPLETION

The Town of LaSalle has completed its Transportation Master Plan (TMP). This document serves to guide future transportation planning development, decision-making and design in alignment with the Town’s long-term vision for the community. The TMP’s set of policies, goals and recommendations aspires to create an integrated, well-connected transportation network that is accessible to all ages and abilities and enhances of the quality of life for residents.

LaSalle’s TMP followed Phases 1 and 2 of the Municipal Class Environmental Assessment (EA) process for master plans. The recommended preferred alternatives were selected and refined based on technical analyses, an evaluation of various alternatives, and incorporation of public and stakeholder input. Theses alternatives identify the next steps that the Town can take to further improve how people travel in, around, and through LaSalle.

This notice announces the start of the 30 calendar-day review period for the TMP in accordance with the requirements of the EA process. The review period will begin on January 31, 2020. Please provide all written comments by March 1, 2020. All comments will become part of the public record of the study with the exception of personal information.
