A Message from Mayor Crystal Meloche

August 29, 2025

Hello residents of LaSalle,

Last week, Members of Council and administration, attended the Association of Municipalities of Ontario (AMO) conference in Ottawa. We attended valuable conferences to meet with representatives from the Ministry of Sport, and the Ministry of Finance. These conversations help us continue to advocate for LaSalle by promoting our region, and building important relationships across the province.

I also want to congratulate LaSalle Hangout for Youth, for celebrating its tenth anniversary. I was honored to attend the celebration, and I extend my appreciation to the dedicated staff and volunteers who have made this program such a success in our community.

Green Bins are Coming to LaSalle

I'm pleased to share that the Green Bins are coming to LaSalle. Delivery is expected to begin in early September. Please note that the schedule is fluid, and may

change as we get closer to the delivery date. We will keep you informed of any changes.

Starting the week of October 21, 2025, Essex-Windsor Solid Waste Authority (EWSWA) will launch a weekly curbside green bin collection program, helping residents divert food waste and other organics from the Essex-Windsor regional landfill, extending its life. To learn more about the program, including delivery details, facts, and the LaSalle collection schedule (which will be released closer to the date), please visit www.ewswa.org
