Annie has reigned as one of the world's most beloved family musicals since its original six-year Broadway run. Annie Bennett is the iconic mop-topped orphan who knows the sun will come out tomorrow for her, no matter how dark it gets today. (Even if "today" is under the domain of Miss Hannigan, the caretaker of the orphanage and an over-the-top misopedist.) When Annie and her scrappy dog, Sandy, are taken in by the secretary of the billionaire Daddy Warbucks, the girl's lifelong search to find her birth parents sets off a chain of wacky, heartwarming adventures.
