Pre-Consultation Meeting – Howard Bouffard Drainage Solution

December 18, 2025

Please take notice that the Town of LaSalle has scheduled a Pre-consultation meeting for the Howard Bouffard Drainage Solution project.

The overall goal of this project is to advance the preferred solution previously identified in the *Howard Bouffard Master Drainage Study* through detailed design, and prepare the appropriate drainage reports in accordance with the *Drainage Act*. Detailed information about the Howard Bouffard Master Drainage Study is available on the Town's website at www.lasalle.ca/hbmds

Prior to commencing preparation of the drainage reports, the appointed Drainage Engineer, in coordination with the Drainage Superintendent for the Town of LaSalle, will be holding a Pre-consultation meeting, to gather input from landowners within the project area. Meeting details follows:

Date: **January 28, 2026**

Time: **5:00 p.m.**

Location: **LaSalle Civic Centre; Council Chambers**
5950 Malden Road LaSalle, ON

For further information about Municipal Drainage in the Town of LaSalle, please visit our Municipal Drainage web page at www.lasalle.ca/drainage. Landowners who are unable to attend the meeting, or wish to provide comments ahead of time, can do so by submitting the “Municipal Drainage – General Inquiries”, form found near the bottom of the page.

Please see the reverse side of this page for an image of the project area. For questions regarding this notice, please contact the Town of LaSalle Drainage Superintendent using the contact information below.

Kind Regards,

Brian MacMillan,
Drainage Superintendent, Town of LaSalle
519-969-7770 Ext.1270
