A Message from Mayor Crystal Meloche

April 28, 2023

Hello residents of LaSalle,

At the start of the Regular Meeting of Council earlier this week, I took a moment to address the ongoing abuse that some Town of LaSalle staff have been facing lately. This has come in the form of in-person conversations, by email, phone, or through social media, and it is unacceptable. I expect our staff to treat our residents and patrons with respect and I expect nothing less in return for our staff. We will not tolerate abusive behaviour towards members of our staff. Please, if you are upset, reach out to myself, the CAO, or Director of that department, but if you can't do it in a respectful manner, unfortunately, your issue will not be heard.

On a happy note, a winter skate trail, water feature, plaza area, and 8' tall LaSalle sign has been approved at LaSalle Landing. This will be installed south of the Event Centre. The Rotary Club of LaSalle-Centennial will generously sponsor the water feature. In addition, a sponsorship strategy

will be developed for the projects at the LaSalle Landing waterfront.

I invite you to continue to visit www.lasalle.ca/waterfront to learn more about the waterfront project as LaSalle Landing develops over time.
