A Message from Mayor Crystal Meloche

August 15, 2025

Hello residents of LaSalle,

I want to recognize someone who has been a part of the Town of LaSalle with a career that has spanned 33 years. We want to thank Allen Burgess for his time and commitment to LaSalle, and wish him the very best in retirement.

I had the honor of representing LaSalle at the Caldwell First Nations Pow Wow. This was their first Pow Wow on the sacred land since it's been returned to them. It was a very powerful and meaningful day. I want to thank members of administration who joined me in celebrations. I look forward to building relationships with Caldwell, and appreciate the invitation to join them.

This past weekend, members of Council joined the LaSalle Stompers as they presented the first bursary in honor of the late Councillor Sue Desjarlais. It was a beautiful moment, made even more special by the unveiling of a permanent plaque at the fields

where Councillor Desjarlais spent much of her time volunteering. Thank you to the LaSalle Stompers.

## Open Air Fire Ban

The Town of LaSalle has declared an open air fire ban effective immediately due to the dry conditions. All forms of open air fires are prohibited in the Town of LaSalle until further notice. This included campfires, chimineas, outdoor fireplaces, fire pits, brush fires, and agricultural fires. Fines will be administered. ## Front Road Storm Sewer Reconstruction Project

The start of the Front Road Storm Sewer Reconstruction project has begun. Crews are working along Adams Lane and should be entering into the Front Road corridor by the end of August. At that time there will be a two-day intersection closure at Front Road and Adams Lane. For more information and updates, visit [www.lasalle.ca/pwprojects](http://www.lasalle.ca/pwprojects)
