A Message from Mayor Crystal Meloche

June 13, 2025

Hello residents of LaSalle,

This past weekend we celebrated another amazing year at LaSalle Strawberry Festival. We can't thank our staff enough for the many hours put into planning and executing a very successful event. We had rides, lots of different entertainment, delicious food, an epic Strawberry eating contest with one contender celebrating his tenth consecutive year winning first place. I want to thank everyone for coming out to the festival, attendance this year was over 28,500 people, that's a lot of people in our municipality in one weekend, and it takes an entire team to pull off an event as big as LaSalle Strawberry Festival. We'll see you again in 2026!

LaSalle Senior Active Living Expo

The LaSalle Senior Active Living Expo is coming up on Wednesday, June 18. It's from 1:00 pm to 6:00 pm, at the Event Centre at LaSalle Landing. It's a free-market style event for the 55+ community to connect with a wide range of local organizations, services, and resources including health and

wellness, community clubs and associations, social support services, and more. It's a fantastic opportunity for seniors to explore what's available in their community, ask questions, and make meaningful connections. For more information, please visit www.lasalle.ca/seniors

LaSalle Canada Day Celebration

We are very excited to host a Canada Day event in LaSalle this year. Join us on Tuesday, July 1, 2025, from 5:00 pm to 11:00 pm, at The Loop and the Event Centre at LaSalle Landing, at 970 Front Road. This brand new event promises an evening filled with family-friendly fun, live entertainment, and delicious

food. The highlight of the night will be a Canada-themed drone show, brought to us by North Star Entertainment, beginning at 10:00 pm. The show will be visible from across LaSalle Landing and the surrounding areas, offering a must-see stunning visual experience for all!

We can't wait to showcase The Loop at LaSalle Landing, the newest addition to the waterfront.
