

Project Notification – Third Concession Drain

January 20, 2026

Dear Property Owner/Tenant:

Tentatively scheduled to start the week of February 2, 2026, the Town of LaSalle – Public Works Division will be undertaking the Repair and Improvement of the **Third Concession Drain**. This project will include brushing, culvert maintenance, erosion protection, and ditching along the open drain. The work is expected to take approximately 6 weeks to complete, dependent on weather conditions.

It is stressed that construction sites are inherently dangerous environments with many potential safety hazards. Extreme caution must be exercised by all individuals, especially children.

The Contractor for this project is *Warkentin Fabricating Inc.*, with **Zeph Friesen** serving as Project Manager (phone # 519-796-2837).

The Town's consultant – Dillon Consulting Ltd. will complete project management and inspection of the project. Project Manager is **Jerome Owen** (Phone # 519-354-7802 ex. 3347)

After hours, calls for urgent issues should be directed to the Town's Public Works Department at 519-969-4143.

While some inconvenience during construction may be unavoidable, every effort will be made to minimize the impact on the surrounding area.

Thank you for your cooperation throughout this project. If you have any questions regarding this notice or the work being completed, please contact the undersigned.

Brian MacMillan
Drainage Superintendent
