Notice of On-Site Meeting – Howard Bouffard Drainage Area (East Branch of the Cahill Drain, West Branch of the Cahill Drain, and associated drainage systems)

June 1, 2026

Please find enclosed Notice of On-Site meeting for the drains within the Howard Bouffard Drainage Area.

The goal of this project is to advance the preferred solution previously identified in the Howard Bouffard Master Drainage Study through detailed design, and prepare the appropriate drainage reports in accordance with the Drainage Act. Detailed information about the Howard Bouffard Master Drainage Study is available on the Town's website at www.lasalle.ca/hbmds

Before preparing the drainage reports, the appointed Drainage Engineer will be holding an on-site meeting, along with the Drainage Superintendent for the Town of LaSalle, to gather input from landowners in the area. Meeting details are included on the enclosed notification.

For further information on Municipal Drainage in the Town of LaSalle, please visit our Municipal Drainage web page at www.lasalle.ca/drainage. Landowners who are unable to attend the meeting, or wish to provide comments ahead of time, can do so by submitting the "Municipal Drainage – General Inquiries", form found near the bottom of the page.

Please see the reverse side of this page for a general image of the drainage area. For questions regarding this notice please contact Town's Drainage Superintendent using the contact information below.

Kind Regards,

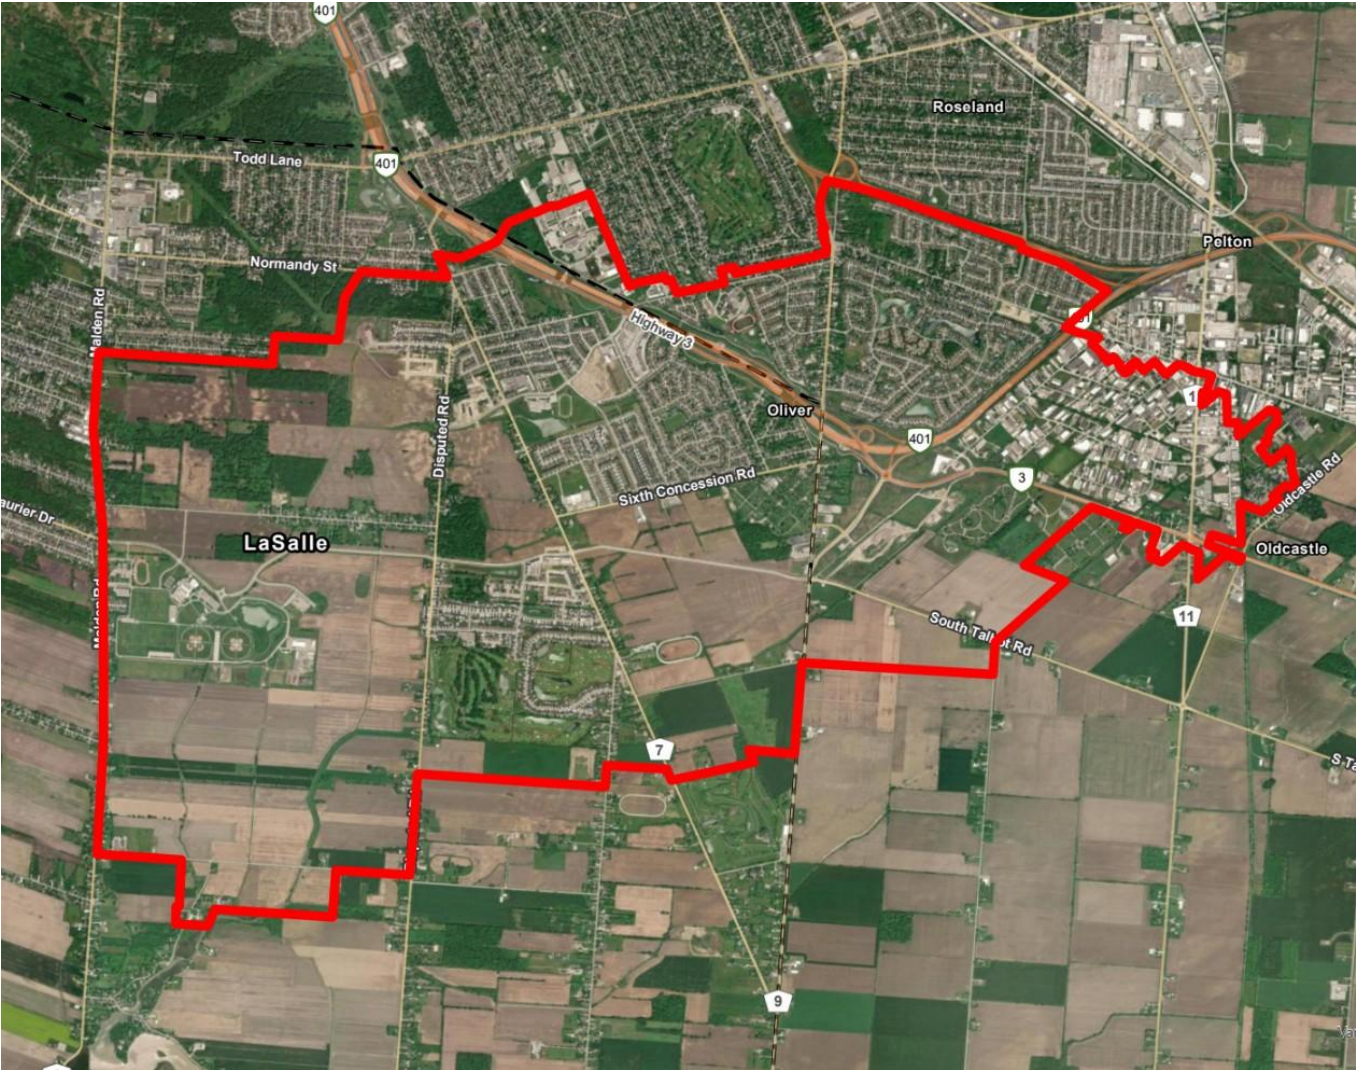

Brian MacMillan,
