A Message from Mayor Crystal Meloche

May 12, 2023

Hello residents of LaSalle,

It is Economic Development Week, and the Windsor-Essex County region is highlighting the efforts to promote economic growth and prosperity in our communities. It is important to increase awareness of local programs that create jobs, advance career development opportunities, and improve the quality of life in communities everywhere. We encourage local businesses to take a moment to complete the Regional Economic Development survey during the month of May. This can be found on the Invest WindsorEssex website at www.investwindsoressex.com

Emergency Preparedness Week

The week of May 7-13 is Emergency Preparedness Week in Canada. LaSalle Fire Service wants you to be prepared and know the risks in order to be ready to face an emergency - anytime, anywhere. During an emergency we all need to be prepared to be self-sufficient for at least 72

hours. Visit www.lasallefire.ca or www.getprepared.ca to learn how to protect yourself and your family by knowing the risks, making a plan, and having an emergency kit ready.

LaSalle Firefighters Associations Walleye Classic Fishing Derby

Congratulations to the LaSalle Firefighters Associations on another successful tournament that took place this past Saturday.
