A Message from Mayor Crystal Meloche

March 28, 2025

Hello residents of LaSalle,

The weather is warming up and we have a variety of updates to share this spring including the upcoming LaSalle Spring Fling on Saturday, April 19, from 12:00 pm to 4:00 pm. Visit the Event Centre, 970 Front Road at LaSalle Landing for busker-style fun! The event is one-day only, don't miss out on the fun [www.lasalle.ca/springfling](http://www.lasalle.ca/springfling)

Keep an eye on [www.lasalle.ca/news](http://www.lasalle.ca/news) and the kiosks around town for updates.

## Road Closures Reminder

A reminder to residents about current road closures:

- The closure at Matchett Road and Sprucewood Avenue will remain in place until approximately the end of April for installation of new traffic signals and road improvements.
- The Turkey Creek Bridge rehabilitation project will take approximately two months to

complete. The expected opening timeframe is the end of May.

For detours and full project details, visit [www.lasalle.ca/pwprojects](http://www.lasalle.ca/pwprojects)

Additionally, the Town is starting the 2025 hydrant maintenance this month to inspect and test hydrants this spring and summer. Residents may experience temporary reductions in water pressure or discolored water. If this occurs, simply run cold water from your tap until it clears.

## Strategic Plan Survey

Share your input and help shape a plan that reflects the needs of our community. The Town of LaSalle is updating its Strategic Plan to guide growth over the next five years. The draft plan was presented at the March 11, 2025 Council meeting, along with results from a December phone survey by Leger.

Complete the survey with your feedback until April 4. Visit [www.lasalle.ca/strategicplan](http://www.lasalle.ca/strategicplan).

The final plan will be presented to Council in late spring.

## Exciting New Program for Seniors (55+) in LaSalle

We have great news for seniors! The launch of LaSalle Senior Active Living. Starting in April, free sessions will be offered and include wellness, educational activities, social events, and drop-in programs designed for older adults (55+). Stay tuned for upcoming promotions on our news and social media pages.
