A Message from Mayor Crystal Meloche

March 29, 2024

Hello residents of LaSalle,

I want to take this opportunity to commend the employees at the Vollmer Culture and Recreation Complex for their handling of the deer incident that occurred on Sunday, February 25. In total, 18 employees with varying degrees of responsibility, experience, and knowledge responded to the incident immediately and did everything within their power to keep the public safe. To say this is a remarkable accomplishment is an understatement.

The Town of LaSalle was the recipient of three awards from Festivals and Events Ontario, Top 100 festival for the LaSalle Strawberry Festival, Best New Event with a budget of \$100,000 or less for Last Call Before Fall, and Municipality of the Year. These awards reflect the hard work and commitment of staff of every level, from every department. Thank you for your continued hard work in making our Town and events the success that they are.
