LaSalle Police Services Board Public Memorandum

To: LaSalle Police Services Board

From: T. Mailloux, Board Secretary

Date: March 11, 2022

Subject: Use of Board Resources for Election Purposes Policy

Recommendation:

That the report from the Board Secretary dated March 11, 2022 regarding Use of Board Resources for Election Purposes Policy be received and that the Board adopt the Town of LaSalle's *Use of Corporate Resources for Election Purposes Policy*, policy number G-EL-001, for the LaSalle Police Services Board during municipal election campaign periods.

Background:

The *Municipal Elections Act, 1996* requires municipalities and local boards to establish rules and procedures with respect to the use of municipal or board resources, as the case may be, during an election campaign period, by May 1st in the year of a regular election.

Subsection 1(1) of the *Municipal Affairs Act* provides the following definition of the term "local board":

"local board: means a school board, municipal service board, transportation commission, public library board, board of health, police services board, planning board, or any other board, commission, committee, body or local authority established or exercising any power or authority under any general or special Act with respect to any of the affairs or purposes, including school purposes, of a municipality or of two or more municipalities or parts thereof"

As the LaSalle Police Services Board is subject to the *Municipal Elections Act, 1996* and encompassed by the definition of "local board" in the *Municipal Affairs Act*, it is required to establish rules and procedures with respect to the use of board resources by May 1st.

The Corporation of the Town of LaSalle has a *Use of Corporate Resources for Election Purposes Policy* in place, Policy Number G-EL-001, that applies to all municipal and school board election candidates, including Mayor and Members of Council. Should the Board approve that the Town of LaSalle's Policy apply to its resources, those Councillors and staff serving on the LaSalle Police Services Board would follow the Policy as it relates to their resources, assets, and funding that are used.

The Board has the option of producing its own separate policy for the use of board resources during a municipal election campaign period. However, given the comprehensiveness of the Town of LaSalle's policy and the timing, it is recommended that the Board adopt a motion that the Town of LaSalle's Use of Corporate Resources for Election Purposes Policy applies to the LaSalle Police Services Board for municipal election periods.

By adopting the Policy, it is understood that references made therein to "Members of Council", "staff", "corporate resources, assets, and funding", apply to Board staff, resources, and funding.

Respectfully submitted,

The *Municipal Elections Act, 1996* prohibits a municipality from making a contribution to a candidate. The Act also prohibits a candidate or someone acting on the candidate's behalf, from accepting a contribution from a person who is not entitled to make a contribution.

As a contribution may take the form of money, goods or services, any use by a Member of Council of the Corporation's resources for his or her election campaign would be viewed as a contribution by the municipality to the Member, which is a violation of the *Municipal Elections Act, 1996*

RE: "Catch and Release" Justice

At its meeting held on December 13, 2021, Sarnia City Council adopted the following resolution with respect to "Catch and Release Justice":

That the City of Sarnia send a letter to the Federal and Provincial Governments requesting meaningful improvements to the current state of "catch and release" justice in the Ontario legal system. Police Services across Ontario are exhausting precious time and resources having to manage the repeated arrests of the same offenders, which in turn, is impacting their morale, and ultimately law abiding citizens who are paying the often significant financial and emotional toll of this broken system. This resolution should also be sent to other Municipalities throughout Ontario for their endorsement consideration; and

That the request also be referred to the Sarnia Police Services Board and be presented via AMO delegations for endorsement consideration.

Your consideration of this matter is respectfully requested.

Yours sincerely,

Amy Burkhart

CHIEF OF POLICE REPORT

DATE: 19 January 2022

TO: Stratford Police Services Board

FROM: Deputy Chief Gerry Foster

RE: "Catch and Release Justice"

BACKGROUND

Council for the City of Sarnia has passed a resolution on December 13, 2021, requesting the Federal and Provincial governments consider making meaningful improvements to the release of offenders. The so-called "Catch and Release Justice" refers to the release of offenders by the courts whereby the offender is re-arrested by police for breaches of the release conditions.

The resolution indicates this approach has a negative impact on police workload, officer morale, and potentially law-abiding citizens.

Locally, council has asked that the matter be discussed at the Police Service Board level and that *"a review of 'catch and release justice' in the City of Stratford be referred to the Stratford Police Services Board to outline current challenges."*

Further, council is requesting a resolution with recommended changes be brought back to council for January 24, 2022.

ANALYSIS

On its surface "Catch and Release Justice" is a reference to the increase in offenders being released after being arrested. This term mostly refers to release by the courts although police officers (Officer in Charge) have release authorities similar to that of the court.

In response to the request of council, a review of charges laid for these instances was completed. Approximately 60 more charges were laid in 2021 in comparison to the average of charges from 2018 to 2020. In reviewing the data this increase would represent an approximate 43% increase

Community-Partnerships-Service

To Serve and Protect in Partnership with Our Community

in breach of release condition charges being laid by members of the service. I would caution that the data, while it does show an increase from 2018-2021, could also be indicative of the COVID pandemic whereby the courts (and police) were actively exploring opportunities to keep offenders out of custody, where possible. The result was that more offenders were released on conditions where re-offending in the community could have occurred. Likewise, the stressful nature of the pandemic should not be discounted as a contributing factor on this data.

RECOMMENDATIONS/COMMENTS

- The Stratford Police Service has experienced an increase in repeat offenders being released into the community only to re-offend.
- The impact of the pandemic on the police, justice and corrections system has been challenging to navigate
- More and more offenders are being released into the community on judicial release conditions that are continually breached leading to more arrests, charges, and court appearances.
- The community is frustrated with the lack of accountability on offenders and feel that their safety is being jeopardized.
- Police officers are resorting to “Officer in Charge” releases when offenders should be going to the courts for judicial releases because of workload.
- The court dockets will most likely be cleared of low-level offences resulting in no accountability for offenders
- Victims are feeling re-victimized by the system and losing faith/trust in the system.

To Serve and Protect in Partnership with Our Community

For Council consideration:

That that City of Stratford endorse the Sarnia Catch and Release Justice resolution and add the following:

- The Federal and Provincial Governments recognize the linkage between mental health, addiction, homelessness, and crime.
- That all levels of government acknowledge that catch and release justice contributes to feelings of vulnerability within our communities and increases the cost of policing, social services, and health care in our communities.
- That all levels of government provide continued financial support to enhance funding in communities for Mobile Crisis Rapid Response Teams, Overdose Response Teams, Community Outreach Teams, Emergency Shelter facilities, Education and Awareness Programs, diversion programs, etc. under the umbrella of Community Safety and Well Being.
- That the Federal and Provincial Governments re-imagine a direct accountability framework specific to charges relating to failure to comply with release conditions.
- That consideration be given to provided holistic support to chronic re-offenders experiencing mental health, addiction, and homelessness issues with a multi-disciplinary team under one roof
