A Message from Mayor Crystal Meloche

November 17, 2023

Hello residents of LaSalle,

It has been a very busy few weeks here in LaSalle. On Monday, October 30 we held a groundbreaking ceremony for the second fire hall which will be located at 2170 Front Road.

On November 8, we held a groundbreaking ceremony for the entrance garden at the Event Centre at LaSalle Landing. This new waterfront legacy project was made possible through an investment from WindsorEssex Community Foundation and in partnership with the LaSalle Community Fund and the LaSalle Ambassador Horticultural Society. The Town was also successful in receiving a grant for part of the project which is funded by the Ontario Ministry of Agricultural food and Rural Affairs.

Women Abuse Prevention Month

November is Women Abuse Prevention Month in Ontario. I attended the Shine the Light tree lighting ceremony held by Hiatus House on November 2 at Charles

Clark Square to shine the light on woman abuse.

Remembrance Day Ceremony

On Remembrance Day, the Town held a ceremony at Cenotaph Park. Thank you to the Remembrance Day planning committee and Town staff for honouring our Veterans with a beautiful ceremony.

Donation to Local Food Bank

Thank you to Town staff for their hard work and execution of the recent LaSalle Truck or Treat Halloween event. It was a huge hit and very well attended. I'm happy to share that a portion of the net proceeds from the event gate admissions, in the amount of \$2,000, was donated to St. Andrew's Anglican Church - Community Food Bank.

We kick off this year's LaSalle Holiday Lights Heritage Nights on Friday, November 24, with a tree-lighting ceremony at 6:00 pm. The weekend also includes a live
