A Message from Mayor Crystal Meloche

July 28, 2023

Hello residents of LaSalle,

I was honoured to present long service awards to three members of the LaSalle Fire Service at this week's Council meeting. Fire Chief Ed Thiessen and Firefighter Rick Malott were presented with a Fire Service Exemplary Service medal in celebration of 20 years of service. Firefighter Randy Curtis was presented with a Fire Service Long Service Bar in recognition of 30 years of service. Thank you for your dedication and service.

Stay Cool, LaSalle

This includes the following:

- Essex County Library, LaSalle

- Vollmer Complex
- Vollmer splash pad

Visit the Heat Warning page on the Windsor-Essex County Health Unit to learn about the Stay Cool Windsor-Essex Program.

Flowers in Bloom

Have you noticed the many colourful summer flowers around LaSalle lately? The Millennium Gardens at the waterfront, all the municipal buildings, along the bridges over Turkey Creek, and in the many parks across the community. Kudos to our parks crews for keeping our trails and parks looking so fresh and vibrant during the hot days of summer! Visit www.lasalle.ca/trails to find many areas to walk and enjoy the beauty of summer from the LaSalle Trails.

Hydrant Maintenance Program

The annual hydrant maintenance program started this month. Crews will be testing and servicing hydrants in various areas of LaSalle for the next couple of months. Customers in these areas may experience a reduction in pressure and/or discoloured

water conditions. Residents should run cold water taps until the water clears. Service locations will be posted on our news page and social media platforms.

The next Regular Meeting of LaSalle Council is Tuesday, August 8. Join us in person or watch along on the Town's YouTube channel. Looking for a previous meeting? You can find those, too, on YouTube. Note: the August 22 Regular Meeting of Council has been cancelled.
